## 20. Pubs

### Gold

1. Go to the pub with friends, for example on a 'Pub night' activity organised by Studio.
2. Choose a Real Ale (if you drink alcohol). Ask the barman or barmaid for a taste (you can only do this with Real Ale) and they will pull a small sample into a glass for you. Taste it but don't buy that drink if you don't like it.
3. Make a list of 30 drinks and snacks you can buy in a pub.
