

2024 Sir Michael Syllabus – Elementary

There are 5 different types of lessons:

1. English Topic = Lessons based around a weekly topic with a grammar or vocabulary learning point
2. Life skills - Lessons are based on useful skills for teenagers outside of the classroom
3. English Communication – Lessons with the main aim of improving fluency
4. British Culture – Lessons involving language skills which are based on aspects of British Culture
5. Excursion – Lessons involving language skills which are based on that week’s excursion destination
