ABOUT STUDIO CAMBRIDGE

Studio Cambridge was founded in Cambridge in 1954. It is the oldest established language school in the city. It is a privately owned, independent school, and not part of a big chain. It is renowned for its friendly, family atmosphere with both students and staff. The school is recognised by the British Council and is a member of English UK. Studio Cambridge is open throughout the year teaching English to students from all over the world.

SUMMER CAMPS

We have been running summer camps for over 50 years. We aim to provide students with a unique experience. For many of them it will be their first trip abroad and their first trip away from home unaccompanied by parents.

We want them to feel happy and confident while living and studying in a new country. We develop their language skills in a comfortable, safe and relaxed learning environment, and we ensure that they have lots of fun – in class, during activities and on excursions. Our summer camps are based in 2 locations: Cambridge and Ely.

INTENSIVE ENGLISH COURSES

We provide Intensive English Courses throughout the year and during the summer we provide them to students aged 16+ in Cambridge.

STAFF

We are looking for residential and non-residential staff to assist in running our Summer Camps and Intensive English Courses. The positions available include:

FURTHER INFORMATION

RESIDENTIAL ACCOMMODATION AT CENTRES

Where residential accommodation is included with the position, it is usually a single room with shared bathroom facilities, in residences shared with students and includes full-board meals. Staff are responsible for students on-site. Living where you work can make it difficult to fully unwind during time off and we encourage staff to go off-site on their days off.

ROTA

Staff are given their rota for the coming week, each week. Precise scheduling is difficult as activities, excursions and residential duties can take less or more time than expected. Staff hours on the rota will often be below those in the contract. We are looking for staff who are flexible.

STUDENT TIMETABLE

Students have 15 hours of tuition, plus a full programme of daytime and evening social activities as well as full-day excursions each week.

STUDENTS

In recent years, students from over 50 countries have joined our courses. Some students come in groups with a group leader, who may be the agent, a teacher or a student doing vacation work. However, many students come unaccompanied. Students generally stay for 2, 3 or 4 weeks.

CLASSES

Classes are multinational, with students divided according to their level of English. This is determined by a placement test taken in advance. Levels range from beginner to advanced and we have a maximum of 16 students in each class. The lessons are taught following a syllabus and all teaching materials are provided.

ACTIVITIES AND EXCURSIONS

In addition to the lessons, we provide a wide range of activities at each centre. Activities may involve sports, arts and crafts or cultural visits. Excursions are full-day visits and destinations include places such as various attractions in London, Warwick Castle, Windsor Castle and Cambridge.

PRE-COURSE TRAINING

All staff are obliged to attend pre-course training sessions which will usually take place at the course centre on the Saturday and Sunday at the start of the course. Staff are paid additionally for their participation in the training. The sessions look at health and safety, organising activities, supervising excursions, safeguarding, welfare and discipline procedures, and teaching. It is also an opportunity to clear up any questions or worries you may have. Course Directors and Assistant Course Directors receive training (usually at the main school) prior to the start of the course.

CHECK-IN DAY

All non-teaching residential staff are obliged to help with setting up the centre and welcoming the students on the first Sunday of the course. Staff are paid additionally for check-in day.

PAY

Salaries are paid weekly, one week in arrears, into UK bank accounts. As the contract periods are too short for holiday to be taken, all holiday pay accrued is paid the week after the final week's pay.

NON-RESIDENTIAL POSITIONS Non-residential positions do not include meals.
